Dedication

MR. FRANCIS T. McCABE

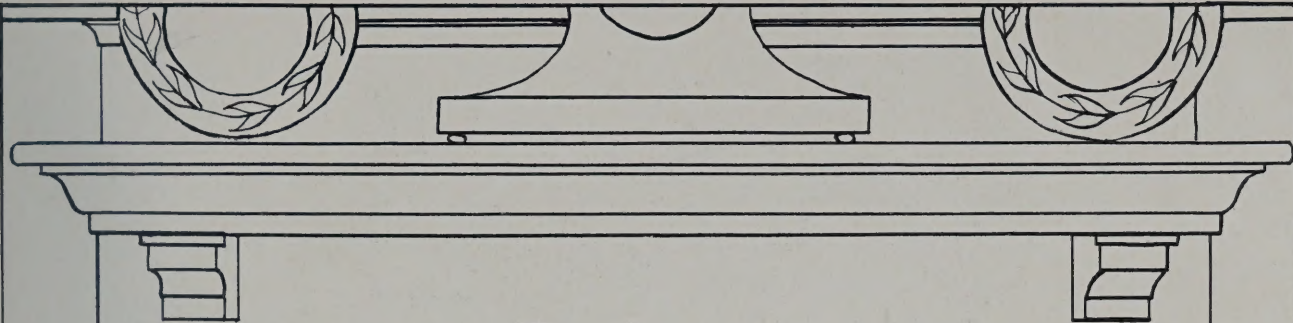

Headmaster

Graduation always produces a certain sadness intermingled with the usual accompanying joys. We are sorry at this time because we realize our high school days are a thing of the past. No longer are we high school students. We are sorry at this time because we have to leave behind friends we may never see again.

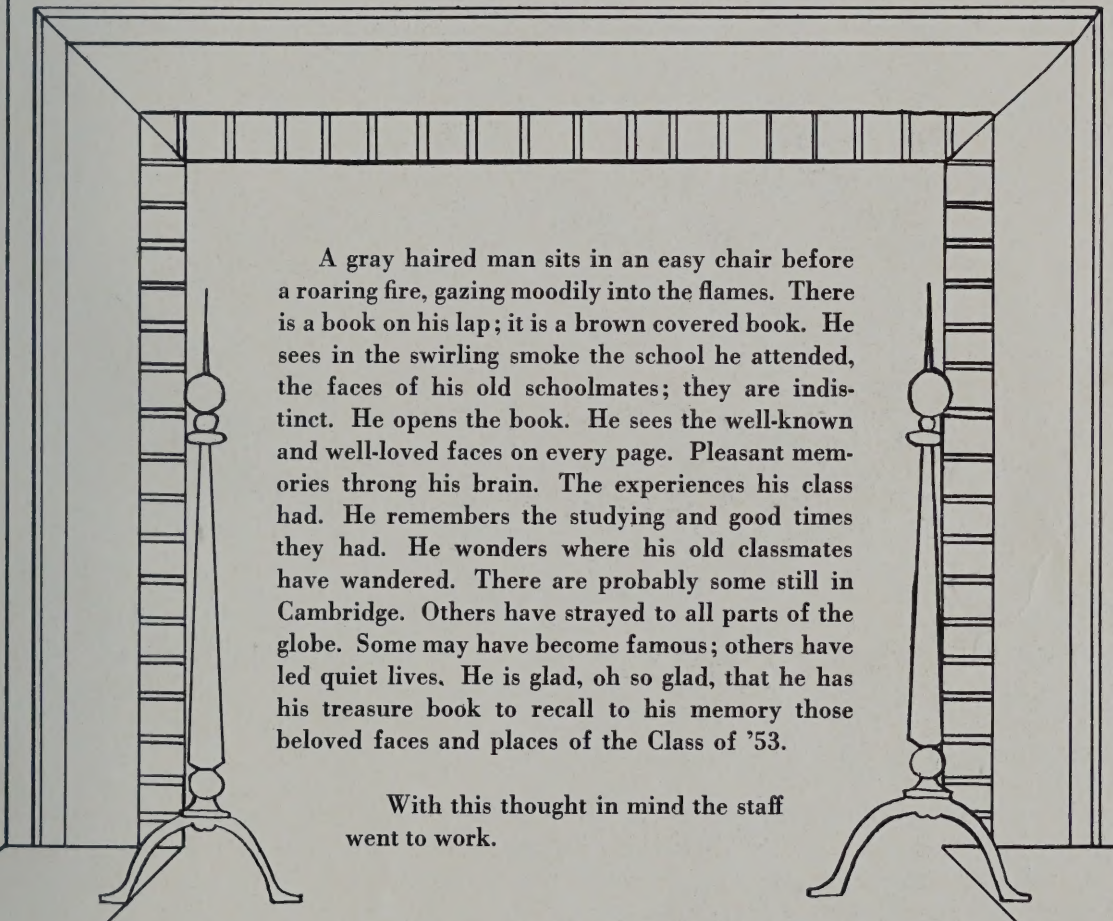

Joy is also in the air at graduation because we know we have completed successfully the prescribed course. We are also joyful in the realization that we are members of the Rindge Alumni and as such have a definite responsibility. We will return to her often for the sturdy advice and counsel that we will surely need.

The headmaster of our school typifies what a principal of Rindge should be. He was ever ready to assist us in our difficulties and yet placed us on our own responsibility to a degree that made our character stronger and more virile.

To Mr. Francis T. McCabe, our headmaster, we extend our heart-felt appreciation at this time of parting. The benefits and advice he has given us we cannot as yet truly comprehend. None the less we cherish a sincere regard for him and know we are better and will be better youths because of our association with him. At the closing of four happy years we have spent under his care we go forth hoping by our lives to bring honor and glory to Rindge. This truly would be an admirable method of showing our appreciation to our beloved headmaster.

Prologue

A gray haired man sits in an easy chair before a roaring fire, gazing moodily into the flames. There is a book on his lap; it is a brown covered book. He sees in the swirling smoke the school he attended, the faces of his old schoolmates; they are indistinct. He opens the book. He sees the well-known and well-loved faces on every page. Pleasant memories throng his brain. The experiences his class had. He remembers the studying and good times they had. He wonders where his old classmates have wandered. There are probably some still in Cambridge. Others have strayed to all parts of the globe. Some may have become famous; others have led quiet lives. He is glad, oh so glad, that he has his treasure book to recall to his memory those beloved faces and places of the Class of '53.

With this thought in mind the staff
went to work.

MR. JOHN M. TOBIN
Superintendent of Schools

Mr. CHARLES G. HARRINGTON

Assistant Superintendent of Schools

Mr. EDWARD J. DANEHY

Assistant Superintendent of Schools

MR. WILLIAM J. KELLEHER
Assistant Headmaster

Four years ago we entered Rindge and were immediately informed by the upper classmen that under no circumstances or conditions should we arouse the wrath of a man, who to outward appearances seemed pleasant and harmless. As time passed we realized the wisdom of the advice we had received. This man became our friend and our counsellor. He was fair, just, friendly, and yet firm and unswerving when rules or regulations of the school were broken.

As we glance back over our four years we can fully appreciate the value of Mr. William Kelleher to our Alma Mater. His advice and counsel helped us to see our goal more clearly, and when we chanced to stray from the path of righteousness in school matters this man brought us back abruptly and decisively.

Mr. Kelleher we will never forget you. Your fatherly attitude both disciplinary and advisory has served to make us, we hope, a class of boys, soon to become men, that Rindge will always be proud to call her own.

MR. JOHN F. J. KELLEHER
Assistant Headmaster

We knew our new Assistant Headmaster as a teacher during most of our four years, and also respected him both for his ability as a teacher and as a strict but just disciplinarian.

We feel certain that his experiences in the scholastic as well as in the athletic world will be of great benefit to him in his new position. The seniors wish Mr. John Kelleher many years of good health and good luck in carrying out his new duties.

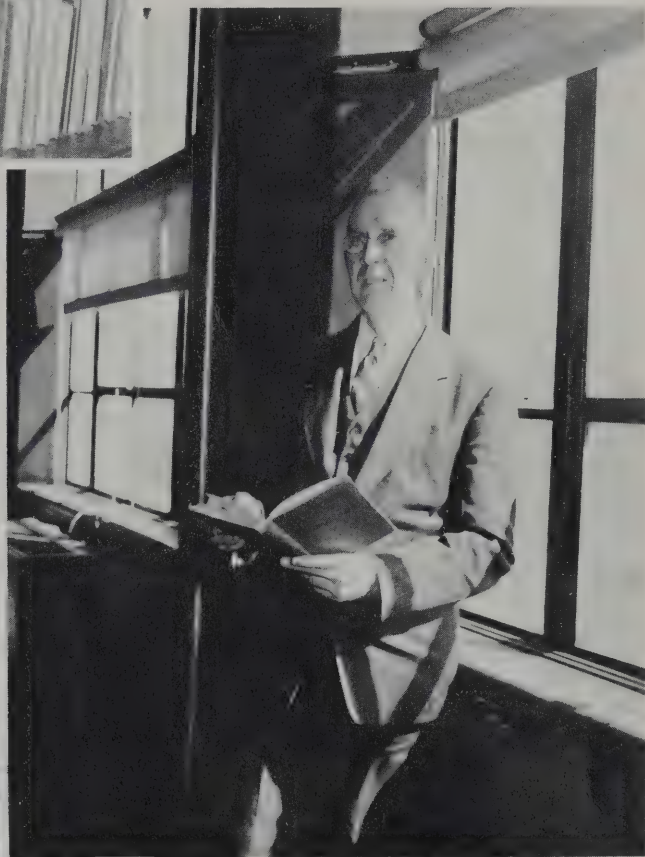

MR. WILLIAM H. MAHONEY
Faculty Advisor

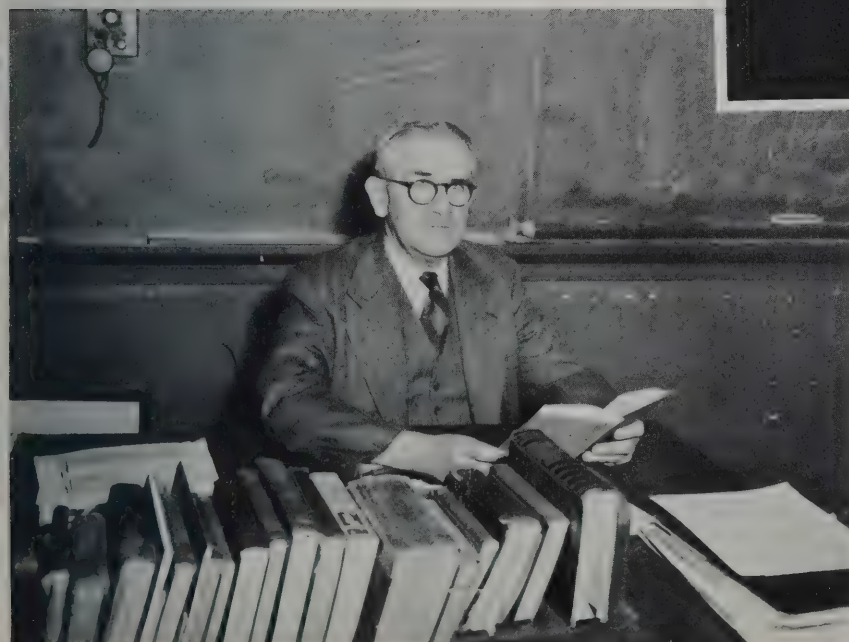

The Class of 1953 wishes to take this opportunity to express its appreciation to the man who has contributed most to any measure of success it has achieved. Without his wise and friendly advice we would not have been able to complete our senior year. We will always remember what an invaluable friend he has proven to be during this our last year at Rindge.

Class Will

We the class of 1953, of the Rindge Technical School of Cambridge, being Seniors of unsound mind and body, and realizing that we all must go sometime, do hereby leave behind us this document as our last will and testament:

To the Juniors we leave a little over a hundred shoes that will be hard to fill.

To the Sophomores we leave two more wonderful years to be spent at Rindge.

To the Freshmen we leave the job of being sophisticated Sophomores who look down upon lowly Freshmen.

To all future Rindge men we leave a building full of nervous wrecks who used to be teachers.

To Mr. McCabe we leave our wishes that he will spend many more years at Rindge as its wise and affable headmaster.

To Mr. William Kelleher we leave. Ain't ya glad?

To Mr. John Kelleher we leave the hope that he will have an enjoyable time carrying out his new duties in the school.

To Mr. Mahoney we leave a winning hockey squad and a better Senior council.

To Mr. Boudreau we leave the great Rindge football team to be handled in his capable manner.

To Mr. Lynch we leave a locker full of lost equipment.

To Mr. Burke we leave the title of "Admiral".

To Mr. Diehl we leave a complete collection of Shakespeare.

To Mr. Cohen we leave a pound of Calcium.

Having disposed of all our worldly possessions, we do hereby therefore and hereunto subscribe our names collectively as:

The CLASS of 1953

As sworn before the notorious
public on this day of June, 1953
by P. A. MacLeod

Class History

In September, 1949, started the Class of '53. In that freshman class were some of the finest boys Rindge will ever graduate. The class, during its four years, has had a large representation in every sport and extra-curricular activity in which the school participates. In football, there were men like Larry Plenty, one of the best half-backs Rindge has ever seen; in track, stars like Charles Jenkins and George Hubbard; in hockey, all stars like goalie Bob Maccini and defenseman Jim Souza. And there were many, many other boys too numerous to mention who have proved their worth during their high school careers.

As freshmen, we were the last class to have as our headmaster Mr. John Wood, who retired during the summer of our freshman year. Mr. Wood had been headmaster of Rindge for twenty-five years, and everyone, even we freshmen, who had known him only a year hated to see him go.

When we began our sophomore year we started to make ourselves known. We placed some very able men on all the major athletic teams and were still well represented on the honor roll.

By the time we became juniors it was an established fact that the Class of '53 was one of universal talent. During the 1951-52 year, however, we added even more prestige to our name. In football, we played the last Rindge-Somerville game and won with an unusual number of juniors starring. In track, Charles Jenkins captured the national 440 championship. The relay team with two juniors, Jenkins and Hubbard, won the Penn. Relays.

Then before we knew it we were seniors. Most of us were beginning our last year at Rindge. Again we placed stars on the athletic teams and scholars on the honor roll but there was something more we had to do this year, something new to us. We had to plan and organize. We had to raise money to cut our senior expenses. In this new endeavor we did not shine. We were not complete failures and we did manage with the aid of Mr. Mahoney, our faculty advisor, to make a moderate success of the annual Talent Night. But in spite of our mediocrity we are pleased with our senior year.

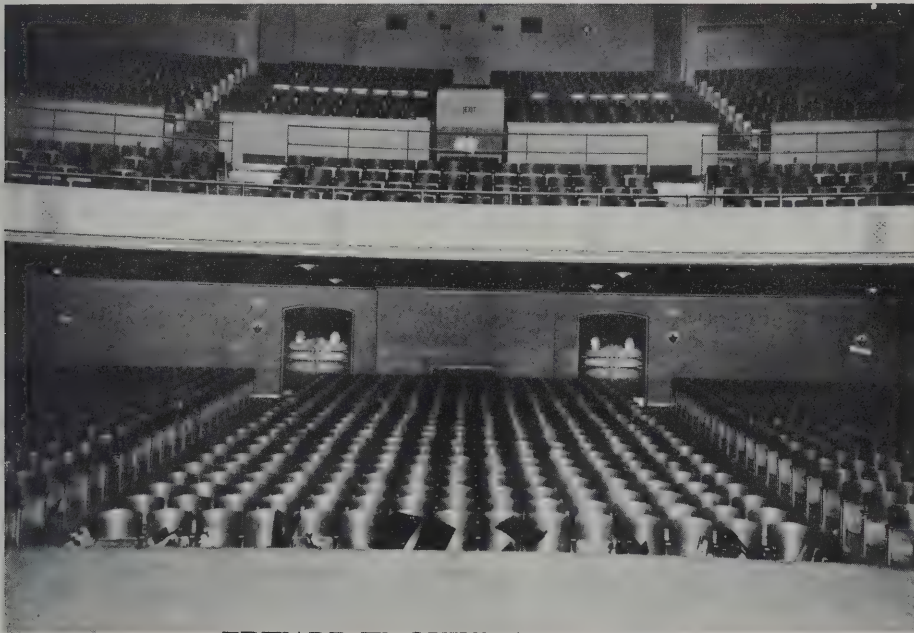

During our four years, if we have learned nothing else, we have learned that no personal success is worth sacrificing a friend to achieve. We have learned the true value of friendship and we will always be grateful to the teachers and advisors who taught us this value, and to the school where we grew from boys to men.

FOOTBALL TEAM

Front row, left to right: C. Alleyne, R. Bentubo, G. Hubbard, L. Plenty, Co-Capt. Joe Cincotta, B. Sullivan, B. Jutras, E. Anderson, A. Verrier.

Second row, left to right: Coach W. Boudreau, Faculty Manager H. Lynch, Botolino, H. Dunn, B. Murphy, J. Clinton, V. Ranelli, B. Ward, P. Silva, Manager Hoijer, Trainer B. Linskey.

Rear row, left to right: P. Anderson, W. Robinson, G. Thompson, W. Jackson, C. Stead, R. Williams, R. Lyons, E. Sousa, Robbio.

This season we started off with a new head coach, Mr. Walter Boudreau. Coach Boudreau for the past two years had been head coach and athletic director at Taunton High School.

Our first opponent was Malden Catholic. Larry Plenty had a "field" day. He passed for two touchdowns and carried across for another. Final score 22-0.

Our next opponent was Newton and but for fumbles was one of the best high school games played in these parts all year. Newton, taking advantage of our costly fumbles, defeated us 26-19.

Leominster, one of the strongest teams in the state was next on our slate. For the first half our lads did well but due to injuries and exhaustion Leominster ran wild and we went down to defeat 42-19.

The Watertown game was another thriller. Watertown was heading for the Class B championship and yet at the half we led and even Watertown rooters had to admit that during the first half we were the better team. But the second half saw Watertown come to life with the final score Watertown 26 Rindge 13.

Next we defeated a very strong Lawrence Central 12-7. This team was to go on and win the Catholic championship.

Our poorest game we saved for St. John's Prep and we were defeated 6-0. In this game we were very sluggish.

Chelsea took us into camp 26-13 in a very exciting contest. Questionable officiating marred this game.

We defeated Fitchburg by a score of 13-0. In this game we really looked good.

Our Turkey Day game which we had expected to win produced a lot of surprises. The half ended with a 7-7 tie. All present agreed that this was a true evaluation of the two teams. But during the second half Koloski grabbed a punt and went all the way in a spectacular exhibition of broken field running. When the game ended we were on the Latin School 20 yd. line.

"BOB" HOIJER

HOCKEY TEAM

Front row, left to right: Souza, Crocker, O'Brien, Verrier, Capt. Maccini, Balcom and Durivage. Middle row, left to right: Coach Mr. Mahoney, Faculty Manager Mr. Lynch, Sullivan, Dailey, Heighton, Lyons, Silvia, Agneta, Managers Mahoney, Sullivan, Doyle, and Trainer Mr. Linsky. Back row, left to right: Eichelroth, Quinlan, Dalrymple, Lech, McGilvray, Barrett and Brine.

HOCKEY 1952-1953

Experts predicted a poor season for our hockey lads before the season opened. Stoneham and Arlington were favored. In fact Rindge and C.H.L.S. were selected for the cellar spots.

In the opening game against C.H.L.S. our lads looked promising defeating our neighbors 3-0. But in the next encounter we were stopped by a lowly regarded Belmont 2-1. Next Stoneham took us into camp 3-1. The experts looked right.

However we proceeded to beat Newton 2-0, Melrose 1-0, and then stopped first place Arlington 2-1. We were really rolling.

We then took Medford into camp 1-0, to tie for second place, going into the playoffs with the four top teams, Arlington, Rindge, Stoneham and Newton playing each other once.

In the first playoff Arlington licked us 2-0. We were slowly but surely going into a bad scoring slump. Next we lost to Stoneham 4-1 and of all things lost to Newton 5-1. In other words two of the teams that licked us in the playoffs we had already beaten in the regular scheduled games.

The coach tried every means available to get back some semblance of a scoring punch but to no avail.

The playing of "Bob" Maccini in the nets was superb. He was chosen "Player of the Year" and selected on the G.B.I. All Stars along with Jim Souza who was also selected.

Other seniors contributing to the success of the team were "Hank" Durivage, Warren Balcolm, "Bob" Agneta, "Bill" O'Brien and John Sullivan.

Much building will have to be done next year because with the team in the fight all the way this year not too many spares could be used. We departing seniors know that the coach, given proper cooperation, with plenty of candidates, will again turn out a good Rindge team.

TRACK TEAM

Front row, left to right: R. Ahern, R. Wheaton, R. Bentubo, R. Murphy, Capt. G. Hubbard, C. Jenkins, L. Smith, T. Walsh.

Second row, left to right: Coach T. Duffy, Faculty Manager H. Lynch, R. Wingood, C. Thomas, D. Lecher, L. Plenty, J. Lacombe, E. Lowe, S. Allosso, Manager P. Grant, Trainer B. Linskey.

Back row, left to right: J. Elder, T. Keavy, E. Collymore, J. O'Donnell, W. Jackson, L. Harte, D. Robinson, J. Burrell.

Our 1952-1953 Track Team brought honor and glory to our school by its many great performances and establishing new records. This team continued the fast championship pace set by our 1951-1952 team as the record shows. The Cross Country Team led by Captain Larry Smith enjoyed an undefeated season in dual competition.

In the B. A. A. Indoor Interscholastics, Rindge placed second with Charlie Jenkins winning the 600 yd. run in 1 min. 16:1 sec. Bob Murphy placed fourth in the 300 yd. dash and Captain George Hubbard was fifth in the 50 yd. dash. Our crack Relay Team in winning established a new mark of 2 min. 26 sec. for future teams to break.

At the Mass. State Indoor Meet, Rindge tied with Medford for the State Championship. Charlie Jenkins won the 600 yd. run in 1 min. 15:4 sec., within one tenth of a second of the record time. Bob Murphy placed second in the 300 yd. dash, Larry Smith was third in the 1,000 yd. run and George Hubbard was fourth in the 50 yd. dash. Our Relay Team again showed their heels to the entire field by winning in 2 min. 26:7 sec.

In the National Schoolboy Championships held at Madison Square Garden in New York, Charlie Jenkins, the defending champion, thrilled the schoolboy track world by retaining his 440 yd. crown. Jenkins accomplished the impossible by winning the National title two years in a row. Our Relay Team, without the services of Jenkins, took fourth honors in the mile relay.

Our Track Team was undefeated in the Metropolitan Track League and won the championship of the first division. Rindge was the only team of the eighteen teams to finish the season without a defeat. New records were established by Charlie Jenkins in the 600 yd. run of 1 min. 18:4 sec., by Larry Smith in the 1,000 yd. run of 2 min. 29 sec., and by our Relay Team of 2 min. 03:8 sec.

At the Bowdoin College Invitation, our Relay Team continued its championship pace by winning in the record breaking time of 2 min. 6 sec. Charlie Jenkins was awarded the Jack Magee Trophy, for outstanding performance and the high score trophy. Jenkins set a new Bowdoin Cage Record, for schools and colleges competing in the Cage, in the 300 yd. dash of 32 seconds flat. He set a new meet record in the 600 yd. run of 1 min. 13:1 sec., and anchored the winning Relay Team.

At the Invitation Penn Relay Carnival held at Franklin Field, Philadelphia, our Relay Team met the Lady called "Fate". A 50 yd. handicap caused by a collision proved too much for our team to overcome. With great team spirit and determination they came from last place in a 12 team race to finish fifth, in 3 min. 28 sec. for a one mile relay. Charlie Jenkins ran the anchor leg in 48:2, one of the fastest times of the day. We proudly hail our Relay Team as "Our Champs".

The seniors are sorry to leave Rindge and Coach Thomas F. Duffy but we know this beloved coach will continue to inspire new champions to greater heights.

BASKETBALL

Our team this year was consistently a victim of a last period jinx. We lost five games late in the third period. One example of this was the Watertown game. We went into the last period with a ten point lead but wound up at the end of the game with a two point deficit.

But the whole season didn't follow this pattern for Rindge overcame this jinx by winning two in a row; one of them an upset victory over Waltham and the other a surprising victory over Brookline.

Our victory over Rival C.H.L.S. was another thriller. With eight seconds left to play and the score tied our captain, Larry Plenty, made good on two foul shots to win the game.

We had the distinction of having two of the leagues five highest scorers in Captain Larry Plenty and Joe Ferolito.

Rindge's four and eight record doesn't show the real ability and performance of the team. It was in every game until the last whistle.

Rindge loses four good men in June; Captain Larry Plenty, Joe Ferolito, Joe Cincotta and Howie Dunn.

However we can expect a bright future with our championship freshman team moving up to the varsity.

The graduating seniors wish Coach Murphy lots of luck and success with his future teams.

Our splendid Freshman basketball team won the Class A Junior High School basketball championship tournament by defeating Norwood Junior High 46 to 42.

Displaying grit and determination these lads came from behind to accomplish this feat. At the half our team was down 19 to 20. Coming on the floor for the third period they seemed to have the look of champions in their eyes and they proceeded to show true championship form. In the third period our brave lads scored 19 points while Norwood was scoring only 10. This spurt proved to be enough to clinch victory although Norwood made a courageous fight in the final period scoring 13 points while we scored only 9.

The team and Coach Creedon are to be congratulated for their splendid victory and let's hope that the School Committee honors them in some way.

MR. GIBSON

BASEBALL

As we go to press the 1953 baseball season has not opened and as of now the varsity squad has not been selected.

The following seniors have answered the initial call and from this imposing list we feel certain Mr. Gibson will be able to field a first class aggregation.

"Larry" Plenty, "Howie" Dunn, "Frank" Minnelli, "Hank" Durivage, "Rollie" Mendiz, John Kelley, "Vin" Buttarro, "Joe" Feralito, "Vin" Ranelli, "Bill" O'Brien, "Dick" Silvia, "Pete" Touchette, "Joe" Cincotta, "Bob" Daley and "Bob" Agneta.

With such a group from the Class of '53, how can we miss this year?

To Mr. Gibson the Senior Class extends their sincere wishes for a highly successful season.

Epilogue

The fire sinks low on the hearth. A chill creeps over him as he slowly turns the last pages of the book. Deep in his heart he wishes that the times could be turned back to those happy, carefree days. His old friends are gone. He will never see them again. Many of them have achieved success, and yet they long for the old school days. They are glad to think, with pride, that they played the game for the sake of the school. It was their school that gave them their start in the world. It holds a place in their hearts that nothing else can hold. It is a tie connecting them with hundreds of other alumni all over the world. He meditates on these things as time passes quickly. At last he softly closes the pages of his book and reverently puts it aside. The embers of his fire of life have been brightened by the thoughts of his old friends as by a dying spurt of flame. The fire sinks low on the hearth and dies away.
